Beloved Reverend Fathers, Brothers and Sisters,
CHRIST IS RISEN!

Standing before the Precious Cross of Our Lord God and Saviour, Jesus Christ, especially during the 3rd Sunday of Great Lent and Passion Week, we are reminded of the great pouring of love for us on the part of Our Lord in that He accomplished our redemption from sin and the power of the devil. It is before the Cross that we bring our repentance for our sins and also try to remember with gratitude all that, which Our Lord grants us each day, and at each hour.

We see Our Lord's suffering during His Crucifixion, but also we know that this sacred event ends with His Glorious and Radiant Resurrection. Having won victory over hades, the Lord has opened for us the pathway to the Kingdom of Heaven. The Cross also reminds us that we, too, are to carry our crosses in the form of personal ascetical struggle so to earn our place in Heavenly Kingdom.

Apostle Paul tells us "Bear ye each other's burdens and so fulfill the law of Christ".(Galatians 6:2). Our Memorial Fund of St. John of Kronstadt has been trying to fulfill this commandment of love for well over half a century. The Memorial Fund has been helping the needy worldwide. We wish to thank all donors, old and new, and we hope that you will be able to continue to perform this holy work of compassion and help the needy.

We wish all of you a radiant and joyous Feast of Feasts during Holy Pascha.

With much love in Our Risen Lord, Archpriest Michael Taratuchin,

Vice-President of St, John of Kronstadt Memorial Fund.
